| | living in Kashan in 1388-89 | | | | |
| 86 | The effect of The bromocriptine on disease activity in rheumatoid arthritis | Cross-sectional | Ph.D. | Internal | Advisor |
| 87 | Efficacy of low level laser injection of methylprednisolone in the treatment of plantar fasciitis | Cross-sectional | Ph.D. | Internal | Advisor |
| 88 | The pattern of substance use in hospitalized patients in Akhavan hospital in 1390 | Cross-sectional | Doctoral | Medicine | Advisor |
| 89 | The effect of The combination of ginger and pumpkin seed extract on testicular parameters in adult male rats chemotherapy-stricken with cyclophosphamide | Intervention | M.Sc. | Anatomy | Advisor |
| 90 | Determining the effect of combination therapy with dexamethasone injection and topical cromolyn in comparison with topical cromolyn in spring Kratokanjectivit | Intervention | Doctoral | Medicine | Advisor |
| 91 | The effect of ginger extract and pumpkin seed extract (composition, ginger and pumpkin seeds) on reproductive parameters in adult male rats treated with cyclophosphamide | Intervention | M.Sc. | Anatomy | Advisor |
| 92 | Comparison of sirolimus with cyclosporine on T regulatory cells And medium-term clinical outcomes in Kidney transplant patients | Cohort | Ph.D. | Internal | Advisor |
| 93 | Comparing the pregabalin and gabapentin effect on pain and opioid consumption in patients undergoing laparoscopic cholecystectomy | Cross-sectional | Ph.D. | Surgery | Advisor |
| 94 | Investigation of the causes and risk factors for thromboembolism in patients with persistent atrial fibrillation in cardiovascular clinic in Kashan in 1391-92 | Cross-sectional | Doctoral | Medicine | Advisor |
| 95 | The study of Satisfaction of medical graduates of Kashan University of Medical Sciences in the academic year 1391-92 | Cross-sectional | Doctoral | Medicine | Advisor |
| 96 | The study of skin lesions in psoriasis patients referred to the clinics of Kashan University of Medical Sciences during 1390-91 | Cross-sectional | Doctoral | Medicine | Advisor |
| 97 | Evaluation of the relationship between serum levels of IL-17 in patients with rheumatoid arthritis disease activity in rheumatology clinics in Kashan in 1391-92 | Cross-sectional | Doctoral | Medicine | Advisor |

| | | | | | |
|-----|--|-----------------|----------|------------|---------|
| 98 | Quality of life in subgroups of IBS in patients referred to tertiary health care center | Case-control | Ph.D. | Internal | Advisor |
| 99 | The effect of H. pylori eradication on liver function tests in patients with nonalcoholic steatohepatitis in beheshti hospital in Kashan | Cross-sectional | Ph.D. | Internal | Advisor |
| 100 | Study of Serum and urinary Factor VEGF And the number of cells Th17 In the peripheral blood of patients with ADPKD | Cross-sectional | Ph.D. | Internal | Advisor |
| 101 | Effect of preoperative percutaneous electrical nerve stimulation on pain relief after inguinal hernia operation | Cross-sectional | Ph.D. | Surgery | Advisor |
| 102 | The study of Serum levels IL-17 with 24-hour blood pressure in women with polycystic ovary syndrome | Cross-sectional | Ph.D. | Gynecology | Advisor |
| 103 | Determining antibiotic susceptibility of Klebsiella pneumoniae positive culture and E.Coli In Beheshti hospital of Kashan in 1391 | Cross-sectional | Ph.D. | Pediatrics | Advisor |
| 104 | Esophageal atresia and associated anomalies and outcome after surgical repair in the Babies hospitalized in Kashan in the years of 1387-1391 | Cross-sectional | Doctoral | Medicine | Advisor |
| 105 | Comparing the predicted final height and target height in girls with the onset of puberty at the age of 7 to 9.5 years | Cross-sectional | Doctoral | Medicine | Advisor |
| 106 | Epidemiology of cutaneous leishmaniasis in the city of Badrod | Cross-sectional | Doctoral | Medicine | Advisor |
| 107 | Evaluation of the quality of sleep in patients hospitalized in Kashan in 1392 | Cross-sectional | Doctoral | Medicine | Advisor |
| 108 | Effect of alcohol extract of cress seeds and onion seeds on histopathological changes in the epididymis and the prostate in diabetic adult male rats | Cross-sectional | M.Sc. | Anatomy | Advisor |
| 109 | Comparison of serum homocysteine levels in patients with coronary artery disease in diabetic and non-diabetic patients | Case-control | Doctoral | Medicine | Advisor |
| 110 | The pattern of antimicrobial susceptibility of Brucella strains isolated from clinical samples in 92 patients with brucellosis in Kashan in 1391-92 | Cross-sectional | Ph.D. | Infectious | Advisor |
| 111 | Prevalence of depression among interns of Kashan University of Medical Sciences in 1392 | Cross-sectional | Doctoral | Medicine | Advisor |

| | | | | | |
|-----|---|-----------------|----------|------------|---------|
| 112 | Evaluation of the relationship between the severity of NAFLD with severity of psoriasis | Cross-sectional | Doctoral | Medicine | Advisor |
| 113 | The relationship between serum estradiol level on the day of injection of hcG and outcome IVF-ICSI | Cohort | Doctoral | Medicine | Advisor |
| 114 | The ten-year study of tuberculosis in the city of Kashan in 1383 to 1392 | Cohort | Doctoral | Medicine | Advisor |
| 115 | Hepatic complications of the right hepatic artery ligation by laparotomy in rabbits | Intervention | Ph.D. | Surgery | Advisor |
| 116 | Evaluation of the efficacy and safety of the radial approach in comparison to the femoral approach for coronary angiography in Shahid Beheshti Hospital in the years of 1392-93 | Intervention | Doctoral | Medicine | Advisor |
| 117 | Sero epidemiology hepatitis A In adults 15 to 45 years old referred to Kashan, 1393 | Cross-sectional | Doctoral | Medicine | Advisor |
| 118 | Evaluation of the relationship between human papilloma virus type 16 and 18 with adenocarcinoma of the prostate | Case-control | Ph.D. | Pathology | Advisor |
| 119 | Comparison of vancomycin and ticoplanin in the treatment of hospitalized children | Intervention | Doctoral | Medicine | Advisor |
| 120 | Determining the frequency of the growth spurt in small infants in relation to gestational age | Cross-sectional | Doctoral | Medicine | Advisor |
| 121 | Frequency of factors inhibiting women from breastfeeding to infants in the city of Kashan 1385 | Cross-sectional | Doctoral | Medicine | Advisor |
| 122 | Serum levels of albumin, ferritin and cholesterol levels in hemodialysis patients with and without major depression in Akhavan Hospital in Kashan, 1388 | Cross-sectional | Doctoral | Medicine | Advisor |
| 123 | Knowledge of mothers of children under 5 years of diarrhea and how to treat it, referring to health centers in the city of Kashan in 1378 | Cross-sectional | Doctoral | Medicine | Advisor |
| 124 | The analgesic effect of gabapentin on postoperative pain after abdominal hysterectomy surgery | Cross-sectional | Ph.D. | Gynecology | Advisor |
| 125 | Prevalence of asthma in patients with a history of asthma in lung disease clinic of Naghavi from 1388 until 1389 | Cross-sectional | Doctoral | Medicine | Advisor |
| 126 | The survey of HLAB27In patients with seronegative spondyloarthropathies in the city of | Cross- | Doctoral | Medicine | Advisor |

| | | | | | |

| | Kashan | sectional | | | |
| 127 | The ability of information systems in hospitals and doctors to establish evidence-based medicine in the hospitals of the country - 1390 | Cross-sectional | M.Sc. | Technology of Health Research | Advisor |

Lectures

| Row | | Place of administration | Date |
|-----|--|-------------------------|------|
| 1 | Workshop on Promotion of Breastfeeding | Kaums | 1385 |
| 2 | Workshop on integrated care for healthy children (well child care) | Kaums | 1386 |
| 3 | Workshop on design and analysis of written tests | Kaums | 1386 |
| 4 | Workshop on familiarity with the latest scientific achievements in the field of influenza | Kaums | 1386 |
| 5 | Workshop on familiarity with health self-care system | Kaums | 1386 |
| 6 | Adolescent reproductive health workshop | Kaums | 1386 |
| 7 | Workshop on statistical software SPSS for Members of the faculty | Kaums | 1386 |
| 8 | Workshop on statistical software EPIINFO2002 for Members of the faculty | Kaums | 1386 |
| 9 | Infectious program (1), especially for general practitioners | Kaums | 1387 |
| 10 | Infectious program (3), especially for general practitioners | Kaums | 1387 |
| 11 | Workshop on Clinical Evaluation | Kaums | 1387 |
| 12 | Scientific conference on innovations of avian influenza | Deputy of health | 1387 |
| 13 | one-day scientific conference on innovations of avian and human influenza | Kaums | 1387 |
| 14 | One-day scientific conference on zoonotic diseases | Kaums | 1387 |
| 15 | One-day scientific conference in the diagnosis and treatment of preeclampsia and eclampsia | Kaums | 1387 |
| 16 | TB program (1), especially for general practitioners | Kaums | 1388 |
| 17 | one-day scientific conference on innovations of avian and human influenza | Kaums | 1388 |
| 18 | One-day scientific conference on health threats of the new millennium | Kaums | 1388 |
| 19 | One-day scientific conference on diabetes and pregnancy | Kaums | 1388 |

| | | | |
|----|---|-------|----------------------|
| 20 | Workshop on introduction and use of software SPSS specialized for students | Kaums | 1388 |
| 21 | Workshop on enabling students research | Kaums | 1388 |
| 22 | Workshop on research methodology of health deputy experts | Kaums | 1388 |
| 23 | Workshop on introduction and use of software SPSS specialized for students | Kaums | 1389 |
| 24 | Workshop on statistical software EPIINFO2002 for students | Kaums | 1389 |
| 25 | Workshop on research method of assistants | Kaums | 1389 |
| 26 | Workshop on research method of students | Kaums | 1389 |
| 27 | Workshop on introduction and use of software SPSS specialized for health deputy experts | Kaums | 1389 |
| 28 | Workshop on research method of assistants | Kaums | 1390 |
| 29 | Workshop on pre-internship exam | Kaums | 1390 |
| 30 | Workshop on research method of students | Kaums | 1390 |
| 31 | EBM workshop of faculty members | Kaums | 1390 |
| 32 | Workshop on clinical governance | Kaums | 1390 |
| 33 | Workshop on research method of students | Kaums | 1391 |
| 34 | Workshop on doctor-patient communication skills of medical interns | Kaums | From 1388 until 1394 |
| 35 | Proposal-writing workshop, especially for medical students | Kaums | From 1389 until 1394 |
| 36 | Workshop on Evidence Based Medicine of Medical Interns | Kaums | From 1391 until 1394 |

Editorial activities and cooperation with the editorial board of scientific journals

| Journal name | Place of publication | Cooperation type | Duration of cooperation |
|--|----------------------|-----------------------|-------------------------|
| Scientific –research quarterly of Feyz | Kaums | Expertise of articles | From 1386 until now |

Published articles

| Row | Article title | Publication year | Journal name |
|-----|--|------------------|---|
| 1 | Antifungal activities of fluconazole and ketoconazole agents  | 1388 | Journal of Mazandaran University of Medical Sciences |
| 2 | Post-traumatic stress disorder in Kashan and Arak emergency medicine departments' staffs during 2009 | 1387 | Feyz journal Volume 12, Number 5 (Supplement 2009) |
